	6 The whole list submd. by the D.G. and the two lists put up by the Comptr. have been again gone through. The D.G. has not cited all the orders creating the various appointments
	7 ~~While~~ The Comptr's office have stated that there are 20 apptt. on Rs. 150. It is not clear where the apptt. of Mr Rutledge has been included. The D.G's statement makes out 21 appointments on Rs. 150 leaving out one temp'y. apptt. on Rs. 150 which is probably that of Mr. Rutledge & while the D.G. has included the apptt. of the Sloyd Supervisor in the grade 75-10-125, the Comptr's office have omitted it.
	9 If approved the D.G. of Edn. may be requested u.o. to prepare fairly a revised statement with a column to show by what order or orders the respective appointments were created.
	10 Submd for orders. As up-to-date Schedules of Establishments of the several units of the Deptt. ~~which has undergone various changes~~, are not available, it is not possible easily to check the whole thing here. May this be sent u.o to the D.G.

Grade Rs.150.

14 The number of appointments in this grade is 20 as given in this office list as verified by the Comptroller's. But in the heading given at the top of the grade (Rs.150) one appointment was shown as temporary by clerical error in addition to the 20 permanent appointments. This mistake has now been corrected. The appointment of Miss. Rutledge has not been taken into account in this grade at all. Her name has been shown against the vacancy of Inspectress of Girls' Schools in grade Rs.400-20-500. In the list furnished by the Comptroller, 19 persons are shown as actually holding the xp appointments against the 20 places. The vacancy remaining to be filled up is that of Mr. Venkata Rao Telang, who was appointed Assistant Professor of Physics in the Central College, vide Government Order No.745-6/Edn.18-8-13 dated 18th July 1914.

Grade Rs.75-10-125.

15 The number of appointments shown in the list viz., 35 plus 2 temporary is alright as verified by the Comptroller. He has, in addition to these, added two more appointments (1 Head Master, District Normal School, Bangalore, and 1 Lecturer for the Central College, History Section) sanctioned subsequent to the submission of this list to Government and makes the total 37. In the heading given at the top of this grade the Sloyd Supervisor and the Head Master, Deaf and Dumb School have been shown separately in addition to the 11 Assistant Masters of High Schools. These two have now been included among Assistant Masters of High Schools making the total 13 instead of 11 as was shown before.
16	The number and date creating all appointments not included in Government Order No.1261-2/Edn.407-13-11 dated 11th November 1914 sanctioning the allocations of Educational Officers are now given in red ink in the list and the rest of the names are those included in the allocation Order.

17 The statement has been gone through carefully. The no. of appointments on Rs 175 has to be increased by 1 on account of the addl. Asst. Prof^r on Rs. 175 sanctioned for the History section of the Intermediate course in the Central College. The no of appointments on Rs. 75-10-125 has also to be increased by 4 on account of the revision of the scale of pay of the Head masters of the Dt. Normal schools at Kolar, Shimoga & Tumkur from 50-4-70 to 75-10-125, and a lecturer in History sanctioned for the Central Colly on 75-10-125 for the History section newly opened for the Intermediate course. This last-appt. will be filled up only after 1.7.16; till then it will have to be shown as vacant.

18 In this connection it is submd. for consideration whether the appointments of the Oriental Libr^y should not also be included in this allocation. The scale of pay etc. of the Libr^y is under revision; perhaps after the revision is sanctioned the Dy will include those appointments in this Return.

I agree Ks.
